Certificate of Congratulations for Canadian National Robotic Society

*As the Member of Provincial Parliament for Markham-Unionville,
I am pleased to extend my sincere congratulatory wishes to
Canadian National Robotic Society (CNRS) for co-hosting the
2025 Canada FIRA RoboWorld Cup Open Competition.*

*The Federation of International Robot Sports Association (FIRA) is
the first and oldest robot soccer competition in the world. CNRS
continues to inspire young minds to explore their limitless possibilities
within. This competition brings the top teams for the opportunity to
represent Canada at the FIRA World Cup in South Korea.*

*Congratulations to all the organizers, participants, award winners,
volunteers and everyone involved in putting together this wonderful
event. I wish everyone much health and success.*

All the best from,

A handwritten signature in pink ink, appearing to read "Billy Pang".
