Greetings from Jean Yip Member of Parliament for Scarborough-Agincourt

On behalf of the Government of Canada and the people of Scarborough-Agincourt, I am delighted to extend my warmest greetings to everyone in attendance at the Send-Off Ceremony for Team Canada at the 30th FIRA Robo World Cup in Daegu, South Korea.

Thank you to the Canadian National Robotic Society and FIRA Canada for organizing this event, which not only celebrates the accomplishments of outstanding students in the fields of robotics and artificial intelligence but also promotes the continued growth and development of robotics in Canada.

To the students representing Team Canada—you should be incredibly proud of how far you've come. Your hard work, creativity, and determination have earned you this exciting opportunity. As you take the global stage, know that your country stands behind you. Believe in yourselves, support one another, and continue striving for excellence.

I wish Team Canada great success at the 30th FIRA Robo World Cup—you are a true inspiration to us all.

Sincerely,
